

# BETTER PREPARED

AIREYS TO EASTERN VIEW COMMUNITY

*WE ARE NOT JUST WAITING FOR HELP.  
WE ARE GETTING READY TO HELP EACH OTHER.*

## Community Workshop

**11:30am - 3:30pm | Saturday 2<sup>nd</sup> May | Aireys Pub**

**We're a group of local community members who are working together, with support of grant funding, to create community action so we can be better prepared for emergencies like bushfires, floods and heatwaves etc. from Aireys to Eastern View.**

**We are inviting community members to come together to:**

- **find out more about Better Prepared (new in 2026)**
- **hear from a panel of local experts with real life experience**
- **enjoy a pizza lunch together (our shout)**
- **help identify and prioritise community actions we can take together... such as:**

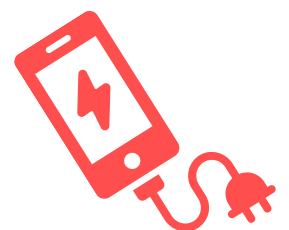

**Additional Resourcing**

**Local Capacity Development**

**Community Education**

**Improved Communications**

**Please help us determine what community actions will happen in 2026 & 2027**

**PLEASE REGISTER @ [www.betterprepared.info](http://www.betterprepared.info)**
